Our Values and Guiding Principles

The Journey Neighbourhood Centre is a Christian based organization. We are committed to the following values and guiding principles as we journey together with the community.

1. To bring hope and transformation through love, respect, compassion and helpfulness.

We believe that love, respect, compassion, and helpfulness bring new and abundant life to all people.

2. To develop and maintain meaningful partnerships in the community.

We are committed to working in partnership alongside the members of this community for the betterment of the community. We will build and maintain the trust of the people of the community.

3. To treat all without discrimination through dignity, respect and inclusiveness.

We value all people. We believe that all people are created and loved by God and are equal in God's eyes; embracing people of all faiths, ethnicity, gender, sexual orientation and age. Everyone will be treated with respect and inclusiveness.

4. To act justly and fairly as trusted stewards.

We are faithful to the purpose for which resources are given, and we manage them in a way that brings maximum benefit to the community.

5. To provide opportunity for all to know God through our actions.

From the abundance of God's love, and as followers of Jesus, we find our call to love and serve.

John 1:14 - The Word became flesh and blood and moved into the neighbourhood.
